

## **SORDO BAROLO DOCG GABUTTI 2015**

### **97 POINTS HUONHOOKE**

The bouquet is voluminous and already displays a great array of attractive aromas. Dried flowers, dried herbs, dried berry fruits and tinges of brandied-cherry and star anise, while the palate is big and plush, full-bodied and full-volume with richness, density and generosity to match its abundant tannins. A profound wine whose tannins are massive but not as dry or pointed as the Perno's. (From Serralunga)
