

SORDO BAROLO DOCG PARUSSI 2015

96 POINTS HUONHOOKE

Softly chocolaty, rose petals, fresh earth and dried herb aromas. The wine is full and rich, more rounded and supple of texture - although there is still a mass of tannin. Voluminous flavour, rich and generous; cranberry elements. This is a slightly easier style at this early age, and is usually the most popular at public tastings. (from Castiglione Falletto)
